

The following companies have indicated that they will have demonstrations and/or Guests in their booths at this year's event.

BakeMark Canada

Wholegrain, Multigrain, Artisan bread. Spring and Summer retail cake ideas.

Bunge (Canada)

Food sampling demos.

Design & Realisation Inc

Multiple presentations during each day showcasing our equipment. Come see our special guest who will inform you about the latest trends in the industry. Learn how to: use tempered chocolate with chablon appliances and transfer sheets; prepare a ganache with special frames; cut ganaches with multiple cutters; pan almonds using a special attachment for your home mixer; make creative chocolate decorations with a cooling slab.

Harvest Corporation

Running demonstrations continuously throughout the show. Factory representatives will be on hand to answer questions.

InnoSeal Systems Inc

InnoSealer demonstrations all day!

Lallemand Inc

Demo baking done throughout the day.

Packaging Machinery Concepts Ltd

"Real World" equipment demonstrations available. Meet factory representatives who will be on hand to answer questions and discuss your specific applications.

Pepsi-QTG, Quaker Division

Demo and baking in booth.

pro Bake Inc

We will be demonstrating many of the functions of our multidrop cookie machine. We will also enrobe cookies with tempered chocolate.

Satin Fine Foods
